Specifications

Summary Overview:

The ASUS BR1104CTA 11.6-inch laptop is a compact and durable notebook designed for students, remote learning, and everyday computing. Powered by an Intel N150 quad-core processor with 8GB LPDDR5 memory and 128GB storage, it delivers smooth performance for web browsing, documents, video calls, and schoolwork. Its lightweight 1.26kg design makes it easy to carry between classes or meetings, while the HD anti-glare display provides comfortable viewing for extended use. With WiFi 6 connectivity, USB-C support, HDMI output, and Windows 11 Home, this laptop offers modern connectivity and productivity in a portable form factor. Buy now and enjoy a dependable everyday laptop built for mobility and simplicity.

The ASUS BR1100/BR1104 series is widely appreciated by students, teachers, and entry-level users who need a reliable learning device. Online reviews frequently highlight its sturdy build quality, comfortable keyboard, and practical size for school bags. Parents purchasing laptops for children, educational institutions equipping classrooms, and budget-focused buyers looking for a portable Windows laptop often choose this series because of its durability and easy-to-use design.

Laptop performance tier:Entry-level / Education

Uses:schoolwork, online classes, web browsing, Microsoft Office tasks, video conferencing, light productivity, portable travel laptop

Overview:

The Asus BR1104CTA notebook is built for everyday productivity in a compact and durable design. With its lightweight 11.6 inch form factor and reliable Intel processor, it offers a practical computing solution for students, mobile workers, and anyone who needs a dependable laptop for daily tasks.

Powered by an Intel N150 quad core processor with turbo boost up to 3.6GHz and paired with 8GB LPDDR5 memory, this laptop handles browsing, document editing, and online learning smoothly. The compact size makes it easy to carry, while the efficient hardware ensures responsive performance for everyday computing.

Running Windows 11 Home, the Asus BR1104CTA provides a familiar and modern operating system experience. Built in connectivity options, a clear HD display, and practical storage make it suitable for schoolwork, remote learning, and general use.

Features:

Compact and Durable 11.6 Inch Laptop

The 11.6 inch HD display delivers clear visuals for work, study, and streaming. Its anti glare LED backlit screen helps reduce reflections, making it easier to use in different lighting environments.

Designed with durability in mind, the notebook features a rugged construction tested to military grade standards. The tough exterior and reinforced build help it withstand everyday bumps and accidental drops, making it well suited for classrooms and

mobile use.

Intel Quad Core Performance for Everyday Tasks

The Intel N150 processor provides reliable performance for daily computing needs. With four cores and turbo speeds up to 3.6GHz, it handles multitasking, online classes, and office applications efficiently.

Intel UHD Graphics support smooth visuals for video playback, presentations, and web content.

Fast Memory and Practical Storage

This Asus notebook includes fast onboard LPDDR5 memory to keep applications responsive. The 128GB eMMC storage provides space for documents, school projects, and essential software.

An internal M.2 slot allows future storage expansion if more space is needed.

- 8GB LPDDR5 onboard memory
- 128GB eMMC storage
- M.2 2280 expansion slot

Built for Mobility

Weighing around 1.3 kg, the Asus BR1104CTA is easy to carry between classes, meetings, or workspaces. The compact design fits comfortably into backpacks or laptop bags while still providing a full computing experience.

A 3 cell battery supports productivity throughout the day.

Connectivity for Work and Study

The laptop includes multiple ports and wireless connectivity options, allowing easy connection to accessories, displays, and networks.

- WiFi connectivity and Bluetooth support
- USB 3.2 Gen 2 Type C with display and power delivery
- USB 2.0 Type C with power delivery
- 2 x USB 3.2 Gen 1 Type A ports
- HDMI output for external displays
- Gigabit Ethernet LAN port
- 3.5mm combo audio jack

Clear Video and Smart Communication

The built in HD webcam includes a privacy shutter and works alongside AI noise reduction technology to improve video calls and online meetings. Background noise is filtered out to help keep conversations clear during remote classes or work calls.

Security and Practical Extras

The Asus BR1104CTA also includes useful security and usability additions designed for modern computing environments.

- Fingerprint reader for quick secure login
- Kensington lock slot
- TPM 2.0 security support
- Integrated speakers and array microphone

Portable Windows 11 Laptop for Learning and Everyday Use

With its compact size, durable build, and reliable Intel performance, the Asus BR1104CTA is a practical notebook for students, remote learning, and daily productivity. The combination of portability, essential connectivity, and efficient hardware makes it a solid choice for users who need a dependable laptop for work or study.
