MSI Prestige 13 AI A2VMG

MSI Prestige 13 AI EVO A2VMG Core Ultra 2 Notebook Ultra 7 258V 4.8GHz 32GB 1TB 13.3" 2.8K Arc 140V BT Win 11 Home

Product Overview

MSI Prestige 13 AI EVO A2VMG series Core Ultra Series 2 MSI Prestige 13 AI A2VMG Grey Notebook, Intel Core Ultra 7 258V Series 2 Eight (8) Core Lunar Lake Turbo Boost up to 4.8Ghz 12MB L3 Cache Processor (4 Perfomance Cores & 4 Low Power Efficient Cores), 32GB LPDDR5 Memory onboard, Supports 32GB Max Mem, No memory slots, 1TB SSD Solid State Hard Drive PCIe, M.2 2280 slot, NO optical drive (No CD), 13.3" 2.8K (2880 x 1800 resolution) Glossy Type OLED Backlit Display, Intel Arc Graphics 140V, Intel AI Boost 47 TOPS, Wi-Fi 7, Bluetooth, Webcam, 4 Cell Battery, Backlit Keyboard, 1x Type-A USB3.2 Gen2, 2x Thunderbolt 4 (DisplayPort / Power Delivery 3.0), HDMI output, 1 kg, Microsoft Windows 11 Home 64 bit, 1 Year Carry in warranty

Specifications

Summary Overview:

The MSI Prestige 13 AI EVO A2VMG is a sleek and ultra-light laptop designed for South African professionals seeking high performance on the go. Featuring a 13.3-inch 2.8K OLED display and Intel Core Ultra 7 processor, this AI-ready notebook handles demanding tasks, creative projects, and productivity workflows with ease. Its 32GB LPDDR5 memory and 1TB SSD provide ample speed and storage for multitasking and large files. Shop now to experience cutting-edge performance and portability in one elegant package.

Users of the MSI Prestige 13 series often praise its responsive performance, vivid OLED display, and lightweight design. Ideal for designers, developers, and AI enthusiasts, the series consistently delivers smooth multitasking and efficient workflows for professionals who need reliability and speed.

Laptop performance tier: High-end ultralight professional

Uses: Productivity, content creation, AI applications, design, programming, multimedia editing

Overview:

MSI Prestige 13 AI EVO A2VMG Laptop Review - Ultra-Thin AI-Ready Notebook

Overview of the MSI Prestige 13 AI EVO A2VMG

The MSI Prestige 13 AI EVO A2VMG is designed for professionals who demand both power and portability. Featuring a 13.3-inch 2.8K OLED display, this AI-ready laptop combines stunning visuals with Intel's latest Core Ultra 7 processor, making it perfect for productivity, creative work, and AI-driven tasks.

With Intel EVO certification, the Prestige 13 AI EVO delivers exceptional responsiveness, battery life, and ultra-fast connectivity, including Wi-Fi 7, to keep you ahead in the AI era. Its sleek and lightweight design ensures it's ideal for professionals who work on the go.

Features:

Powerful Performance with Intel Core Ultra 7

Under the hood, the MSI Prestige 13 AI EVO A2VMG features the Intel Core Ultra 7 258V Series 2 processor, an eight-core powerhouse with four performance cores and four low-power efficiency cores. The processor supports Turbo Boost up to 4.8 GHz and includes a 12MB L3 cache, providing seamless multitasking, faster application launches, and AI-enhanced workflows.

With Intel AI Boost delivering up to 47 TOPS, this notebook is equipped to handle modern AI applications effortlessly, making it perfect for developers, designers, and professionals embracing AI-powered productivity.

Memory and Storage for Efficient Multitasking

The Prestige 13 AI EVO comes with 32GB LPDDR5 onboard memory and supports up to 32GB. While it does not include expandable memory slots, the high-speed RAM ensures smooth performance for heavy multitasking and memory-intensive applications.

Storage is handled by a 1TB PCIe M.2 2280 SSD, offering fast read/write speeds and ample space for large files, creative projects, and professional work. Note that this laptop does not include an optical drive.

Stunning 13.3-Inch OLED Display

Enjoy crisp, vibrant visuals on the 13.3-inch 2.8K OLED backlit display. With a resolution of 2880 x 1800, the screen provides sharp text, rich colors, and deep contrast, making it ideal for photo editing, content creation, and multimedia consumption. The glossy OLED panel enhances visual clarity while keeping images and videos lifelike.

Advanced Graphics and AI Capabilities

The laptop is equipped with Intel Arc Graphics 140V, offering smooth visuals for design, video editing, and AI-driven applications. Combined with Intel AI Boost, users can enjoy faster performance for AI tasks, simulations, and complex workflows.

Connectivity and Ports

The MSI Prestige 13 AI EVO ensures versatile connectivity:

- 1x USB Type-A 3.2 Gen 2 port
- 2x Thunderbolt 4 ports (DisplayPort / Power Delivery 3.0)
- HDMI output for external displays
- Wi-Fi 7 for ultra-fast wireless internet
- Bluetooth support for peripherals

This array of ports guarantees productivity and convenience whether you're in the office or on the move.

Design, Portability, and Battery Life

Weighing just 1 kg, the Prestige 13 AI EVO is ultra-light and portable, perfect for professionals who travel frequently. Its backlit keyboard enhances typing comfort in low-light conditions, and the 4-cell battery provides reliable usage throughout the day.

Software and Warranty

The laptop comes pre-installed with Microsoft Windows 11 Home 64-bit, providing a familiar and secure operating environment. It also includes a 1-year carry-in Warranty for peace of mind.

Why Choose the MSI Prestige 13 AI EVO

The MSI Prestige 13 AI EVO A2VMG combines cutting-edge AI performance, stunning OLED visuals, and ultra-portability in one sleek notebook. With Intel Core Ultra 7 processing power, Wi-Fi 7 connectivity, and Intel EVO certification, it's the perfect companion for professionals, creators, and AI enthusiasts who need a high-performing, lightweight laptop.

Specifications:
