Specifications

Summary Overview:

The Acer TravelMate X4 TMX414-51 is a premium 14-inch business laptop designed for professionals in South Africa seeking top performance and portability. Featuring a 14" WUXGA OLED display, Intel Core Ultra 7 processor, 32GB LPDDR5X memory, and 1TB SSD, it delivers seamless multitasking and AI-powered productivity. Lightweight at just 1.27kg, this laptop is perfect for hybrid work environments, allowing you to work efficiently on the go. Shop now to experience cutting-edge business performance with Intel Arc graphics and versatile connectivity options.

Customers of the TravelMate X4 series often praise its lightweight design and strong AI-assisted capabilities, making it ideal for business executives, remote workers, and creative professionals who need fast and reliable performance. Reviews highlight smooth multitasking, excellent display quality, and robust build, catering to those who require both power and portability.

Laptop performance tier:High-end professional

Uses:Business productivity, remote work, hybrid work, AI-assisted tasks, content creation, multitasking, video conferencing

Overview:

Acer TravelMate X4 14 AI Copilot+ - AI-Powered Business Laptop for SMBs

Empower your small and medium-sized business with the Acer TravelMate X4 14 AI Copilot+ laptop. Designed for hybrid work, this AI business laptop combines cutting-edge Intel Core Ultra Processors (Series 2) with advanced AI performance, delivering up to 115 TOPS overall. Lightweight, secure, and packed with productivity features, it's built for professionals on the move.

Features:

Lightweight and Sleek Design for Mobile Professionals

Weighing just 1.27kg and measuring 15.9mm thin, the TravelMate X4 14 AI is built for portability. Its elegant design not only fits comfortably in a backpack but also makes a professional impression during client meetings and business trips.

Powerful Performance to Boost Productivity

Equipped with the latest Intel Core Ultra Processors and Intel Arc GPUs, this laptop provides up to 47 TOPS NPU performance and a total of 115 TOPS for AI-driven tasks. With up to 32GB LPDDR5x memory, the TravelMate X4 14 AI handles multitasking, large spreadsheets, and creative software with ease, ensuring smooth workflow for business professionals.

Vibrant 14-Inch OLED Display

The 14-inch 16:10 WUXGA OLED display offers a spacious screen and immersive visuals. Enjoy vivid colors, sharp contrast, and TUV Rheinland Low Blue Light certification for reduced eye strain, perfect for long work sessions or content creation.

AI Tools to Enhance Creativity and Efficiency

Cocreator - Unleash Your Ideas

Transform your concepts into reality using Cocreator. Generate content with text or image prompts, speeding up creative workflows and improving output quality.

Recall - Instant Memory Access

Recall helps you retrieve files, applications, or documents by simply describing what you remember. Perfect for busy professionals who need quick access to past work.

Live Captions - Real-Time Transcription

Live Captions automatically transcribes audio into English or Chinese from multiple languages, making meetings accessible for everyone, including those who are hard of hearing.

AI-Powered Video and Audio Enhancements

Acer PurifiedView 2.0 - Look Your Best on Video Calls

This AI-powered camera technology enhances video clarity, lighting, and natural appearance. Features like Portrait Refinement, Gentle Lighting, and Super Sharp ensure you always present professionally.

Acer PurifiedVoice 2.0 - Crystal-Clear Audio

Enjoy optimized voice quality with AI noise reduction and a triple-microphone setup. Your voice stands out clearly in virtual meetings, even in noisy environments.

Ultra Boost Stereo Speakers & DTS:X Ultra Audio

Experience 200% more sound output with minimal vibration. DTS:X Ultra optimizes bass and volume while providing immersive audio for multimedia, calls, and presentations.

Advanced Connectivity for Seamless Work

Stay connected anywhere with Wi-Fi 7 and Bluetooth 5.4, ensuring fast file transfers, smooth streaming, and lag-free video calls. The laptop also offers versatile ports including:

- Two Thunderbolt 4 ports
- USB 3.2 Type-A and USB 2.0 Type-A ports
- HDMI 2.1
- Gigabit Ethernet

These options support a wide range of peripherals and network setups for business flexibility.

Durable and Reliable for Business Travel

The TravelMate X4 14 AI meets MIL-STD 810H military-grade durability standards, tested for vibration, humidity, and temperature extremes. It's built to withstand the challenges of frequent travel without compromising performance.

Take your SMB productivity to the next level with the Acer TravelMate X4 14 AI Copilot+ - the lightweight, secure, and AI-powered laptop designed for hybrid work.
