Specifications

Summary Overview:

ASUS Vivobook 14 X1404VA brings reliable everyday performance in a slim and portable design, featuring an Intel Core 5 120U processor, 8GB DDR5 memory, fast 512GB PCIe SSD storage and a 14-inch Full HD display. With Windows 11 Home, Wi-Fi 6, a backlit keyboard and lightweight 1.4kg build, this laptop is ideal for users who need a practical device for work, study and entertainment. Buy now and enjoy efficient mobile computing with ASUS quality.

Customer feedback on the ASUS Vivobook 14 X1404VA series is generally positive among students, home users and professionals looking for a lightweight productivity laptop. Buyers commonly praise its portability, processor performance, keyboard comfort and value for everyday tasks, while some users note that battery expectations can vary depending on usage. Feefo+1

Laptop performance tier:Mainstream productivity laptop

Uses:office work, online learning, web browsing, video meetings, document creation, streaming, light content creation, everyday business tasks

Overview:

ASUS Vivobook 14 X1404VA Terra Cotta Laptop

The ASUS Vivobook 14 X1404VA is a lightweight everyday laptop designed for work, study, entertainment and general home use. Powered by an Intel Core 5 120U processor, 8GB DDR5 memory and a fast 512GB PCIe SSD, it delivers responsive performance for daily applications, multitasking and online activities.

With a slim 14-inch Full HD display, weighing only 1.4kg, the Vivobook 14 is easy to carry between home, office or campus. The Terra Cotta finish gives it a distinctive look, while practical features such as a backlit keyboard, webcam privacy shield and Wi-Fi 6 connectivity make it suitable for modern mobile users.

Description

The ASUS Vivobook 14 X1404VA combines portability, reliable performance and user-friendly design in a compact notebook. It runs Windows 11 Home and includes modern connectivity options, making it a practical choice for students, professionals and everyday users.

The Intel Core 5 120U processor offers efficient performance with Turbo Boost speeds up to 5GHz, helping handle office applications, browsing, streaming and everyday productivity tasks smoothly. The 512GB PCIe SSD provides quick boot times and responsive storage, while the DDR5 memory improves overall system performance.

Features:

Portable 14 Inch Full HD Laptop Design

ComX Computers

Product Specification Sheet

The slim chassis and lightweight 1.4kg design make the ASUS Vivobook 14 easy to take anywhere. The 14-inch Full HD display delivers clear images and sharp detail for work, entertainment and video calls.

Key display highlights include:

- 14 inch Full HD 1920 x 1080 resolution screen
- Anti-glare LED backlit display
- Slim bezel design
- Comfortable viewing for everyday use

Reliable Intel Core Performance

The ASUS Vivobook 14 X1404VA is equipped with an Intel Core 5 120U processor, offering a balance of performance and power efficiency for daily computing needs.

Performance highlights:

- Intel Core 5 120U processor
- 10 cores with Turbo Boost up to 5GHz
- Intel integrated graphics
- 8GB DDR5 memory
- 512GB PCIe SSD storage

Fast Storage and Everyday Productivity

The 512GB PCIe SSD allows faster system startup, quicker application loading and improved file access compared to traditional hard drives. The laptop also supports memory expansion up to 40GB for users who need additional multitasking capability.

Comfortable Keyboard and Smart Design

Designed for productivity, the Vivobook 14 includes an ASUS ErgoSense keyboard with a comfortable typing layout and backlit keys for improved visibility in low-light environments.

The 180-degree hinge allows flexible positioning for sharing content, presentations or collaborative work. A physical webcam privacy shield provides additional privacy when the camera is not in use.

Enhanced Audio and Video Calling

The ASUS Vivobook 14 features Dirac audio technology and ASUS Audio Booster for improved sound quality during entertainment and online meetings.

For clearer communication, ASUS AI Noise Cancellation technology helps reduce background noise during video calls, making conversations easier to hear.

Modern Connectivity Options

The Vivobook 14 provides a range of ports for connecting accessories, displays and storage devices.

Connectivity includes:

- Wi-Fi 6 wireless connectivity
- Bluetooth support
- USB Type-C port
- USB Type-A ports
- HDMI output
- Audio combo jack

Built for Everyday Mobility

With its compact size, lightweight construction and long-lasting battery design, the ASUS Vivobook 14 is suited for users who need a dependable laptop for work, learning and entertainment while on the move.

ASUS Vivobook 14 X1404VA Specifications

- Processor: Intel Core 5 120U up to 5GHz
- Memory: 8GB DDR5 onboard
